Orthopaedic Knowledge Update: Foot and Ankle 4 (Orthopedic Knowledge Update) Michael S. Pinzur M.D.

Developed by the American Orthopaedic Foot & Ankle Society, (AOFAS) and published by AAOS, this volume takes a focused look at proven and promising treatments and approaches for complex structures of the foot and ankle. Ideal for general orthopaedists specializing in foot and ankle, sports medicine or lower extremity, as well as residents in training, this resource offers the most current knowledge on foot and ankle injuries and conditions. This edition discusses the most modern and controversial surgical techniques on total ankle replacement, and offers expanded coverage on ankle arthritis, fractures, and non-operative treatment options. This information is presented in a well-written, concise, and well-organized format that serves as a timesaving reference.
