Patek Philippe Nicholas Foulkes

Patek Philippe & Co. the Swiss luxury watch manufacturer was founded in 1839 and remains to this day a family owned company (it was acquired in the 1930s by the Stern family). It designs and manufactures some of the world's most complicated and expensive mechanical watches and is widely considered the most prestigious watch brand in the world.

Amongst many firsts, Patek was the first company to make a wrist watch and in 1933 Patek Philippe produced the first ultra-complicated (24 function) pocket-watch for Henry Graves, Jr., known as 'The Supercomplication'. The watch was auctioned at Sotheby's in November 2014 for \$24,000,000, the most expensive timepiece ever sold. In 2014 it was revealed that Brad Pitt had paid \$3m for a rare Patek Philippe 'J.B. Champion Observatory watch' as a gift for Angelina Jolie.

Patek have commissioned Preface and Penguin Random House to create the definitive history of the company to celebrate their 175 anniversary. Overseen personally by owner Philippe Stern, Patek have opened their unique archive of timepieces and given the author complete access to their museum in Geneva. Patek have created a new archive of photographs especially for the book.

Two years in preparation, this book is eagerly awaited by the millions of watch collectors around the world and will garner as much fanfair as the launch of one of their prestigious new designs.

From reader reviews:

Cinthia Beltran:

What do you concentrate on book? It is just for students because they're still students or that for all people in the world, what the best subject for that? Merely you can be answered for that issue above. Every person has various personality and hobby for every other. Don't to be obligated someone or something that they don't would like do that. You must know how great and also important the book Patek Philippe. All type of book is it possible to see on many solutions. You can look for the internet solutions or other social media.

Darren Billups:

Book is to be different for every grade. Book for children until adult are different content. We all know that that book is very important for us. The book Patek Philippe has been making you to know about other information and of course you can take more information. It is rather advantages for you. The book Patek Philippe is not only giving you far more new information but also to get your friend when you truly feel bored. You can spend your personal spend time to read your e-book. Try to make relationship with the book Patek Philippe. You never sense lose out for everything if you read some books.

John Starr:

This book untitled Patek Philippe to be one of several books that best seller in this year, honestly, that is because when you read this e-book you can get a lot of benefit on it. You will easily to buy that book in the book retailer or you can order it through online. The publisher on this book sells the e-book too. It makes you quickly to read this book, because you can read this book in your Touch screen phone. So there is no reason for your requirements to past this e-book from your list.

Helen Widner:

Beside this kind of Patek Philippe in your phone, it could give you a way to get more close to the new knowledge or information. The information and the knowledge you are going to got here is fresh through the oven so don't possibly be worry if you feel like an previous people live in narrow community. It is good thing to have Patek Philippe because this book offers to your account readable information. Do you at times have book but you seldom get what it's facts concerning. Oh come on, that wil happen if you have this within your hand. The Enjoyable arrangement here cannot be questionable, similar to treasuring beautiful island. Techniques you still want to miss it? Find this book and also read it from currently!
