The Little Book of E-Type Jaguar (Little Books) Stan Fowler, Charlie Morgan

The E-type Jaguar captured the imagination of car enthusiasts the world over with its sleek, stunning looks and exhilarating performance. It was an instant sensation and a winner for Jaguar for 14 years. The E-type caused a stir when it was launched more than 40 years ago, and it's no surprise that this stylish British sports car still has the ability to turn heads today. Manufactured by Jaguar between 1961 and 1975, the E-type had a competitive edge second to none. First, it was priced well below other sports cars of its time, which enabled Jaguar to sell in excess of 70,000 vehicles in their 14-year reign with the E-type, and second, it was a fast car (for its day). Enzo Ferrari described the E type as: "The most beautiful car ever made".
