While women have made dramatic progress in their struggle for equality in American society, the key episodes and personalities of this historic movement have too often gone unrecognized or faded into obscurity. *What Every American Should Know About Women's History* features 200 landmark events, including:

The decision by female mill workers in Lowell, Massachusetts, to strike in response to a pay cut  
Jane Addam's selection as a Nobel Prize laureate for her work on world peace  
The formation of the National Organization for Women  
Geraldine Ferraro's nomination as a candidate for the vice presidency

Whether the issue is work, family life, social reform, or the struggle for equal rights, these stories offer compelling insights into the lives of the women who have shaped our destiny.
