Whispers in the Shadows, things that go bump in the night and those unexplainable events experienced by many in this physical world; How do we even attempt to add reason to them, make sense of them? I have been affected by all of these, to include the physical touch of something not of this realm! Within these pages you will see a compilation of my beliefs and views on the subject. You will see why I became so interested in an afterlife, almost to the point of obsession. So as you take this journey with me, allow your soul and your very spirit to open as well as your mind as we try to understand and feel..."WHEN SHADOWS WHISPER!" ~Gary Price~
