This gorgeous, sweeping historical romance will enchant the readers of Deanna Raybourn, and introduces a wildly talented new voice.

Anna was born of Chevring, a territory renowned for its valorous war horses, in the kingdom of Aurelia. But peace reigns, and her family's fortune has dwindled. Her father brokers an alliance with the wealthy Lord Roger of Stolweg. The price: his eldest daughter and the secrets to her family's once great power. Soon after they are wed, Roger proves himself cruel and calculating, a harsh lord who sows the seeds of fear in his people.

He has an ambitious secret, and nothing will stand in his way. Not his new bride, nor his older brother, heir to all that he covets. But secrets have a way getting out, and the people of Stolweg quietly bide their time, coming to love Anna for her noble bravery in standing up to her scoundrel husband. She will prove the leader they need to rise up and bring their underground resistance to flourish.

But it is Larkin, a guard of Aurelia, whose presence brings Roger's treachery to the forefront, igniting the spark of war. Larkin comes to Stolweg to investigate Roger for treason against the realm and ends up giving all of his attention to Anna. For she not only captures his heart, she may be the only person who can stop the battle that will tear the kingdom apart.
