Boy Toy Sasha Ravae

Don Crip was recently released from prison with nothing but a chip on his shoulder. All he longed for was to find his baby mother and to make things right again, but, there's one problem...she's now married! His best friend, Pierre, is the total opposite. Though he is in love with his on-again off-again girlfriend, Malaysia, he can't seem to keep his hands off of her friends. Being that Malaysia is married with three kids, you would think that it would be easy for him to walk away, but it's not. Will Don Crip and Pierre find their way through the battle field of love or should they watch what they ask for?
