College should be the best time of your life, right? But does it seem like your university treats you more like a number than a person? Or have you graduated and your degree seems to be nothing but a piece of paper unable to help you navigate life? Highly anticipated author and journalist Sunday Ely provides the inside scoop to undergraduates in identifying, highlighting, and answering the real questions every undergrad really wants to know. This book exposes the truth about - college life outside of the classroom (sex, lies, betrayal); all the things your textbooks and professors won't teach you. Instead of focusing on how to obtain academic success this book uses true events to reveal how you can achieve success outside of the classroom. By reading Breaking the Silence – what college doesn't teach you, you discover how to elevate your life and learn practical steps in how to truly become self-fulfilled outside of the classroom. Chapters are categorized by true events, and showcase a section titled "what college doesn't teach you" to make it easy for you to identify your next steps.
