*From Amazon #1 Best-Selling Author Jason Jade*

The fifth round of the Minecraftia Survival Games had arrived and the Snow Wolves were forced to fight once more.

This time, however, they would do it without the help of their friend, Woody, for he had fallen.

Worse still, Clark found himself in a desperate situation when he learned the identities of his two new teammates.

As a final effort to attain victory, the Wolves planned an attack against the one who betrayed them - Lecter.

Unfortunately, only two of Snow Wolves will make the assault and their chances look less than hopeful.

But, as it so often does, luck arrived from seemingly nowhere.

For it appeared that the other teams had much the same idea.
