More than 20,000 value changes appear in Volume 2 of the 2017 Scott Standard Postage Stamp Catalogue. A total of 5,806 value changes occurred in Canada, 44 of which were sprinkled throughout the provinces. Trends this year are similar to those of last year. The first trend is that the market for classic and high-grade Canada and Provinces stamps remains quite strong. True very fine examples of these early stamps are very elusive, and values remain steady, even though the value of the Canadian dollar has further weakened against the United States dollar. A total of 2,629 value changes were made to Denmark, which received a thorough review for the 2017 Vol. 2. The market for Danish stamps remains strong for the most part. Several increases occurred from 1902 on. Some of the increases are significant. Make sure you have the most up-to-date market information with Volume 2 of the Scott Catalog!
