Angels in Action: What Swedenborg Saw and Heard Robert H. Kirven

Angels live in communities, wear clothes, and have no wings! So said Emanuel Swedenborg, Swedish scientist and seer who, for the last twenty-seven years of his life, visited heaven and hell almost daily and met angels and evil spirits. Swedenborg's visions and the meaning they can have in our lives are explained in this remarkable book. Author Robert H. Kirven also shows how angels work for us from birth through death and how we can be angels on earth.
