Everybody Needs a Coach in Life: Isn't It Time You Found Yours? Micheal Burt

Look back in your life and ask yourself this question, "Wasn't it when you had a good coach in your life that you experienced the most accelerated growth you've ever experienced?"

Then why don't you have a coach today? You'll be hard pressed to find one top athlete, Olympian, or top CEO who doesn't have a skilled expert in their life who finds and fills in their missing structures, has conversations with them that they don't want to have, makes them do things they don't want to do, so that ultimately they can become something they didn't even believe they could become. *Everybody Needs a Coach in Life* will show you how to bust through both your business and personal ceilings, aggressively expand your territory, and stimulate your growth in ways you can't even imagine.

Micheal Burt has won championships as a former head women's basketball coach. He has infused his coaching acumen with his business and entrepreneurial mindset. Burt embraces the concept of intense but positive and brings a level of creativity, depth, and energy that very few coaches possess. He has the ability to cross over from the locker room to the board room and infuses ideas from both sport and business into each other's arena in ways that only a championship coach can.

Everybody Needs a Coach in Life takes three decades worth of coaching and condenses it into a book that can change the way you see every area of your life by someone that knows how to get the most it out of you.
