When 8 year old Emma starts a new school she's not excited - she's terrified! Emma is deaf, reads lips well, speaks some, and loves music, but what makes her different from her classmates is what the class bully focuses on. Though hurt, Emma is determined, with help from teachers and classmates, to teach the bully what a concert sounds like to her. Join Emma and her new friends as they put on a "silent concert" to teach others that we're more alike than we know.
