**Getting Into Medical School (Barron's Getting Into Medical School)** Sanford J. Brown M.D.

Getting into medical school is a demanding process, with less than half of all medical school candidates gaining admission. The updated 10th edition of this reliable guide advises prospective medical students on the undergraduate courses they should take, then takes them step-by-step through the process of taking the required Medical College Admission Test, applying to medical school, getting past the personal interview, and doing well as a medical student. This edition also offers new information on getting into osteopathic schools, and presents an updated list of websites that provide valuable information to medical school candidates.
