Museum of the Missing: A History of Art Theft

Simon Houpt

Museum of the Missing: A History of Art Theft Simon Houpt

Offering a thrilling introduction to the underworld of stolen art, this investigation reveals the little-known story of modern art theft and shows how the legitimate art market, with its hyped auctions and landmark sales, has ignited criminal interest in these high-end pieces. The photographs, illustrations, and case studies give a fascinating and detailed behind-the-scenes account of the major thefts during the past hundred years—ranging from Edvard Munch's *The Scream* and looting during World War II and the Iraq wars to a brazen and bizarre theft of a two-ton bronze Henry Moore sculpture. A gallery lists the estimated value of each stolen piece, painting an overview of the cultural, historical, and economic losses.
