## "Lions and Tigers and Bears, Oh My!"

Add in a gator, snake and T-Rex and you have a 60 image "jungle" of hungry carnivores just waiting to be colored.

Don't worry though, these ferocious animals don't bite and really want some color added into their lives.

PLEASE NOTE: Most of these animals have appeared in the Awesome Animal series and this should be considered a compilation work of the "Best of the Best". There are also a few images that have never been published too!

As with all our books each image is printed on its own page.
