The Gentleman's Keeper Bonnie Dee

Confronting the darkness of his past, he finds the light of his future. After years gadding about Europe, Everett Gerard can no longer avoid his responsibilities. Word has come that a child bearing the unmistakable Gerard stamp has shown up at the family estate-and he realizes it's time to face his demons. As his carriage nears the gates of home, he fights the urge to flee the memory of the horrible crime he witnessed as a child. Yet the Abbey delivers surprises and delights he never expected. Miles Kenway was content with his quiet life as the Abbey's bailiff, until the wild child, clearly a bastard son of some Gerard, upends his peace with constant pranks and mischief. And when the master of the house arrives, an unsettling attraction heats Miles's blood. As they clash over the fate of the ancestral land, they battle a powerful desire to grapple in ways that could disrupt the delicate balance between master and servant. But when the boy's real sire appears, they must unite as only true fathers can to protect the boy whose mischievous charm has captured their hearts. Warning: Gothic murder, hot man loving, and emotional family drama.
