She's thrilled when the opportunity finally arises, but a gruesome hunting accident crushes her plans, leaving her stranded for weeks in a mining town. The single bright spot in her disappointment comes in the form of this mountain town's newest doctor... Fresh out of medical school, Alex O'Nelly is excited to join his brother's practice and prove himself in the mining town of Butte, in Montana Territory. But the tough conditions in the mines and the brutal winter are worse than he expected. Now a mysterious lung disease is killing patients he fought so hard to cure. The single bright spot in this dreary place comes in the form of their newest patient... But when Miriam's life is threatened by the effects of a medical tragedy, will Alex have what it takes to save the woman he's come to love?
