The New Grandparent's guide to Technology: How to use technology to create a lasting legacy of love and understanding for you and each grandchild that will span generations (Grandparent Technology)

Grampa Farnsworth

This up-to-date guide shows how to use today's technology and your creative skills to create a lasting legacy of love and understanding for you and each grandchild, that will span generations. This book and a companion website helps soon-to-be and new grandparents harness different types of technology to their benefit when it comes to • Connecting on several levels with each grandchild • Passing values and histories on to each grandchild • Keeping precious information about each grandchild • Chronicling exchanges you will have with each grandchild The role of the book is to expand your horizons about what IS possible, how you CAN act to create a stronger bond with grandchildren and great grandchildren and even those that follow them. The book hopes to show you how you can do these things to establish your significant and crucial role as a grandparent to each grandchild. It offers basic instruction to new users of technology as well as advanced tips and tools for the experienced technology user and it does so with an informal yet very informed perspective.
