Gothika: Volume Two

Vodou. Obeah. Santeria. These religions seem mysterious and dark to the uninitiated, but the truth is often very different. Still, while they hold the potential for great power, they can be dangerous to those who don't take appropriate precautions. Interfering with the spirits is best left to those who know what they're doing, for when the proper respect isn't shown, trouble can follow. In these four novellas, steamy nights of possession and exotic ritual will trigger forbidden passion and love. You cannot hide your desires from the loa, or from the maddening spell of the drums. Four acclaimed m/m authors imagine homoerotic love under the spell of Voodoo.
