Enhancing Online Learning Experience: Through a RIA Based Learning Application Meisam Moradi, Sabzali Musa Kahn

The main purpose of this study is to develop a collaborative base and co-operative online painting system that could be used as a part of an E-Learning platform based on web 2.0 standards, that is about to engage the rich internet applications (RIA) techniques to enhance distance learning experiences. This application integrates the online real-time interaction to improve the presentation of the routine E-learning and inspire self-active learning willing. This application is about to give a chance of using all the internet fruits and bounties to make sure that an instructor and a learner who is collaborating with his or her colleagues are able to pass their knowledge, toughs and ideas. This way and by using this rich internet application (RIA) is so far distinctly ahead of its other competitive methods and tools. The method which is used in this project is having two series of codes with separated functionalities. In this book, our contributors are, Meisam Moradi , Dr.Sabzali Musa Kahn, Jaffri Hanafi and Zahra Kakaei.

From reader reviews:

Thomas Schulz:

What do you consider book? It is just for students since they are still students or it for all people in the world, the actual best subject for that? Only you can be answered for that issue above. Every person has different personality and hobby per other. Don't to be pushed someone or something that they don't would like do that. You must know how great in addition to important the book Enhancing Online Learning Experience: Through a RIA Based Learning Application. All type of book could you see on many methods. You can look for the internet sources or other social media.

David Eaton:

Nowadays reading books become more than want or need but also become a life style. This reading habit give you lot of advantages. The huge benefits you got of course the knowledge the actual information inside the book that will improve your knowledge and information. The information you get based on what kind of guide you read, if you want attract knowledge just go with training books but if you want really feel happy read one with theme for entertaining like comic or novel. The particular Enhancing Online Learning Experience: Through a RIA Based Learning Application is kind of guide which is giving the reader unpredictable experience.

Samuel Brooks:

Is it anyone who having spare time then spend it whole day by means of watching television programs or just lying on the bed? Do you need something new? This Enhancing Online Learning Experience: Through a RIA Based Learning Application can be the answer, oh how comes? A book you know. You are so out of date, spending your extra time by reading in this brand new era is common not a nerd activity. So what these ebooks have than the others?

Alice Walker:

As a student exactly feel bored in order to reading. If their teacher asked them to go to the library in order to make summary for some guide, they are complained. Just minor students that has reading's spirit or real their passion. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that examining is not important, boring and also can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Enhancing Online Learning Experience: Through a RIA Based Learning Application can make you experience more interested to read.
