Farm Animals Coloring Book Speedy Publishing LLC

Most children these days live in the cities and the suburbs, and because of this, animals like horses, cows and pigs are nearly as foreign to children as tigers and bears! A coloring book with a farm theme engages a child and brings them towards a deeper understanding of the world around them. It gives them insight into the clothes they wear and the food that they eat, and through coloring, they are encouraged to learn about the bodies and colors of animals.
