My Child Ain't No Different (COMPACT): A Single Parent Success Story Cynthia D. Johnson B.A.Ed (THIS IS THE COMPACT VERSION) 5.06x7.81 Those of us who have children knows there are no perfect manuals to raising our child. There were others who tried to tell us. There were those who gave us methods which didn't work. Some were married, some single, and some were divorcees. One thing we all know, every child is different and every method of raising them are just as unique as the other. So as we go along in life, we pull a little from here and some from there and mostly our experiences as we grow with our children to find out wisdom and knowledge on our own. This manual is an account from a single parent who did it successfully on her own. There was no help from the government and success is not about money, but about growing them up to become productive citizens in our communities. This is her story. It will shed some light on situations which you can read, learn and pass on. Will every method work for all children? Not at all. But one thing she shares, are the methods to learn every child differs from the other and what we learn, we can improve to share and help the next parent in line and whose in need of knowledge.
