**Nursing School and Allied Health Entrance Exams (Academic Test Preparation Series)** Marion Gooding

For over 20 years this comprehensive book has covered everything the student needs to know about entrance examinations for nursing and allied health programs. The book includes over 1,300 practice questions and reviews of verbal and mathematical skills, general science, physical sciences, chemistry, and health. It arms the prospective student with test-taking strategies as well as useful information on nursing schools and financial aid. Dr. Gooding has updated this edition to include the latest information for the following: Psychological Corporation exams, National League for Nursing (NLN) exams, Psychological Services Bureau exams, Nurse Entrance Test (NET), and Allied Health Professions Admission Test (AHPAT). These updates feature revised mathematics and allied health sections and additional critical-thinking questions.
