# Studies in Rashi - Bereishit

*Rabbi Menachem M. Schneerson*

**Studies in Rashi - Bereishit** Rabbi Menachem M. Schneerson

Studies in Rashi, contains 12 complete essays on Chumash Bereishit. The essays are presented, for the first time, in a bi-lingual Hebrew/English format.

Beginning in late 1964, after the passing of his mother, Rebbetzin Chana, the Rebbe began dedicating a segment of his weekly Shabbat public gatherings to the study of Rashi's classic biblical commentary. What soon emerged was an innovative method for both the study and analysis of the Bible's pre-eminent commentator, and Bible study itself. These talks continued for more than twenty-five years.

The publication of Studies in Rashi aims to open this unique dimension of the Rebbe's scholarship to the ever-growing numbers of English speaking students aspiring to serious textual study.

To help the reader fully appreciate the essays, the volume is prefaced by a list of 17 General Principles of Rashi which form the basis for the Rebbe's methodology in Rashi study.

Studies in Rashi, Bereishit, is the first in a series which will present one essay for each respective Torah portion.

The essays were translated by Rabbi Y. Eliezer Danzinger, and are fully annotated in Hebrew and English. The volume is further enhanced with a detailed bibliography and comprehensive index.
