**The Goblin Companion: A Field Guide to Goblins** Brian Froud, Terry Jones

Earthy, enigmatic, and--until now--elusive, the goblin is little known and even less well understood. Thanks to Brian Froud's discovery of the notebooks of Dashe, a goblin portraitist, this rare breed is now an open book. This is a definitive, profusely illustrated field guide to the goblin world, annotated by Terry Jones, Monty Python professor emeritus of Obscure, Absurd and Truly Hilarious Arts. Full-color illustrations.
