It's the night before Tom's first day at school, and he can't sleep. He's worried about school, about being grown up, and about leaving Small, his toy mouse. During that long, sleepless night, something extraordinary happens to Tom and Small—something that finally makes everything all right. With its warm, winsome illustrations and wonderfully child-focused text, *Tom & Small* is a book that will resonate with all young children. Clara Vulliamy, who trained in Fine Art at the Ruskin School and The Royal Academy, is the author-illustrator of many popular, highly praised books, including *Small*, *Ellen and Penguin* and the *New Baby*, and *Boo Baby Boo!*
