This workbook contains 80 pages of printables to help your students with frequently misspelled words. You get twenty lessons, each with 20 challenging words and four pages to choose from. One page has nine writing activities on the toughest and easiest words, shortest and longest words, new or interesting words, and use words in a question or exclamation or quotation. A second option allows students to create a word search and write a short story using the words. A third option has space for students to practice the words, or explain why they are frequently misspelled, or write sentences using the words (your choice). A fourth page directs students to practice the ten toughest words (thrice) and five easiest words (once), write three questions and three exclamations, and compose three silly sentences. All 400 words are research-based (studies on actual student writing and their errors). These are the words that middle-school students fail to master and continue to misspell in high school most frequently: amateur, leisure, brilliance, fictitious, foreign, twelfth, courageous, tyranny, embarrass, hierarchy, niece, restaurant, courteous, maneuver, achieve, height, rhyme, whether, and many more. If you teach middle school students and want them to get a leg up on the competition, then this workbook is what you need. Common Core Standards: ELA.6.L.2a and 7.L.2a and 8.L.2a
