## **Fundamentally Transforming America: The Left's Attack on America** Kevin Groenhagen

In *Fundamentally Transforming America*, Kevin Groenhagen, the author of Chapter 19: Defeating the Socialist Coalition and Restoring Our Constitutional Republic, discusses the phrase “fundamentally transforming America.” Many on the right have commented on this phrase, but few have noted that Weather Underground terrorists Bill Ayers and Bernardine Dohrn, Democratic Socialists of America chair Michael Harrington, and other socialists used this phrase long before Barack Obama did just five before the 2008 president election. Groenhagen outlines exactly what Obama and others on the left mean when they say they want to “fundamentally transform America.”
