## **Garfield Thinks Big: His 32nd Book** Jim Davis **Big Thoughts from an Even Bigger Cat**

Garfield is a true Aristotle of cats, pondering such tough questions as: How many plates of lasagna can a cat consume in a single sitting? That's a lot of food for thought, but you can bet this feline philosopher will gobble his way to an answer—and still find room for dessert! It's nothing less than sidesplitting fun, so don't miss out as Garfield thinks (and eats) BIGGER than ever before!

The GARFIELD CLASSICS series collects the early years of the GARFIELD comic strip in a larger, full-color format. Garfield may have gone through a few changes, but one thing has stayed the same: his enormous appetite for food and fun. So laugh along with the classic cat, because classics are always in style.
