Information Security and Privacy: 4th Australasian Conference, ACISP'99, Wollongong, NSW, Australia, April 7-9, 1999, Proceedings (Lecture Notes in Computer Science)

The 4th Australasian Conference on Information Security and Privacy was held at the University of Wollongong, Australia. The conference was sponsored by the Centre for Computer Security Research, University of Wollongong, and the Australian Computer Society. The aim of the conference was to bring together people working in different areas of computer, communication, and information security from universities, industry, and government institutions. The conference gave the participants an opportunity to discuss the latest developments in the quickly growing area of information security and privacy.

The program committee accepted 26 papers from 53 submitted. From those accepted, thirteen papers were from Australia, two each from Belgium and China, and one each from Austria, Belarus, France, India, Japan, Korea, Singapore, the USA, and Yugoslavia. Conference sessions covered the following topics:

access control and security models, network security, Boolean functions, group communication, cryptanalysis, key management systems, electronic commerce, signature schemes, RSA cryptosystems, and odds and ends. We would like to thank the members of the program committee who - nerously spent their time reading and evaluating the papers. We would also like to thank members of the organising committee and, in particular, Chris Chen, Hossein Ghodosi, Marc Gysin, Tiang-Bing Xia, Cheng-Xin Qu, San Yeow Lee, Yejing Wang, Hua-Xiong Wang, Chih-Hung Li, Willy Susilo, Chintan Shah, Jeffrey Horton, and Ghulam Rasool Chaudhry for their continuous and tireless effort in organising the conference. Finally, we would like to thank the author of all the submitted papers, especially the accepted ones, and all the participants

whom made the conference a successful event. February 1999 Josef Pieprzyk Rei Safavi-Naini Jennifer Seberry

From reader reviews:

Laura Wilson:

Information is provisions for anyone to get better life, information these days can get by anyone from everywhere. The information can be a understanding or any news even a problem. What people must be consider when those information which is inside the former life are challenging be find than now could be taking seriously which one is suitable to believe or which one often the resource are convinced. If you get the unstable resource then you understand it as your main information you will see huge disadvantage for you. All those possibilities will not happen inside you if you take Information Security and Privacy: 4th Australasian Conference, ACISP'99, Wollongong, NSW, Australia, April 7-9, 1999, Proceedings (Lecture Notes in Computer Science) as your daily resource information.

Frank Jorge:

Reading a publication can be one of a lot of pastime that everyone in the world loves. Do you like reading book so. There are a lot of reasons why people like it. First reading a reserve will give you a lot of new details. When you read a guide you will get new information since book is one of a number of ways to share the information or perhaps their idea. Second, reading through a book will make a person more imaginative. When you looking at a book especially hype book the author will bring someone to imagine the story how the personas do it anything. Third, you may share your knowledge to other folks. When you read this Information Security and Privacy: 4th Australasian Conference, ACISP'99, Wollongong, NSW, Australia, April 7-9, 1999, Proceedings (Lecture Notes in Computer Science), it is possible to tells your family, friends in addition to soon about yours publication. Your knowledge can inspire different ones, make them reading a book.

Raymond Murray:

Many people spending their period by playing outside together with friends, fun activity with family or just watching TV 24 hours a day. You can have new activity to invest your whole day by reading a book. Ugh, do you consider reading a book can definitely hard because you have to bring the book everywhere? It alright you can have the e-book, getting everywhere you want in your Smart phone. Like Information Security and Privacy: 4th Australasian Conference, ACISP'99, Wollongong, NSW, Australia, April 7-9, 1999, Proceedings (Lecture Notes in Computer Science) which is keeping the e-book version. So , try out this book? Let's find.

Douglas Ham:

Do you like reading a publication? Confuse to looking for your best book? Or your book has been rare? Why so many concern for the book? But almost any people feel that they enjoy intended for reading. Some people likes examining, not only science book but in addition novel and Information Security and Privacy: 4th

Australasian Conference, ACISP'99, Wollongong, NSW, Australia, April 7-9, 1999, Proceedings (Lecture Notes in Computer Science) as well as others sources were given knowledge for you. After you know how the fantastic a book, you feel need to read more and more. Science e-book was created for teacher as well as students especially. Those guides are helping them to include their knowledge. In other case, beside science publication, any other book likes Information Security and Privacy: 4th Australasian Conference, ACISP'99, Wollongong, NSW, Australia, April 7-9, 1999, Proceedings (Lecture Notes in Computer Science) to make your spare time more colorful. Many types of book like this.
