**Should I Become A Doctor ? (Get Me Into Medical School Series): Decide If Medicine Is The Right Career For You (Volume 1)** Dr Alexander Logan

**Get Me Into Medical School: Should I Become a Doctor?** focuses on the first steps in making the decision to study medicine.

Understanding what being both a medical student and a doctor is like can be very difficult and organising work experience and knowing what questions to ask can seem impossible.

Getting into medical school and scoring highly at medical school interviews can be tricky and requires a thorough understanding of the challenges faced by both students and doctors in the NHS together with what life as doctor is truly like.

Inside you will find in depth information on how to decide if medicine is for you, how to choose a medical school and how to maximise your chances of getting into medical school. **Get Me Into Medical School Should I Become A Doctor?** aims to make these steps easy for you with honest insights from medical students at UK medical schools and doctors together with virtual work experience.

Honest and accurate information from current doctors and medical students provides you with information you might have been afraid to ask such as ‘how much are doctors paid?’, ‘do you actually enjoy your job?’, ‘would you choose medicine if you had the chance again?’ and many more.
