Women Who Rape Men (Female Sex Predators) John Davis BA JD LLM

This is a groundbreaking work on the prevalence of women who rape men in our culture. This work breaks through the gender stereotypes in the mainstream media and shows, through well-documented studies and research, that women rape men at a rate greater than the other way around. The book contains numerous citations and references for those studying the problem of women who rape. There are also several colorful memes conveying the essence of the difficult concepts discussed in the text. Finally, this book offers guidance to men who are victims/survivors of women who rape, sexually assault, and who molest male children.
