This is her shot. Brit has the chance to make history by being the first female goalie to play for an NHL team, the San Francisco Gold. So, when she is introduced to Stefan, the Gold's captain, she is determinedly not interested. Stefan is sexy, charming, and has a publicly documented list of conquests a mile long. Brit is unwilling to risk mixing business with pleasure, even when that business is wrapped up in a six-foot-plus, gorgeously muscled package. When management pushes Brit and Stefan together in an effort to gain good press for the beleaguered team, Brit finds that her carefully calculated disinterest doesn't mask her body's desires. The more she falls for Stefan, the more she risks her career. Will she be able to have it all—a starting position and the heart of the captain? Or will she lose everything?
