**Colin Fischer** Ashley Edward Miller, Zack Stentz  
SOLVING CRIME, ONE FACIAL EXPRESSION AT A TIME

Colin Fischer cannot stand to be touched. He does not like the color blue. He needs index cards to recognize facial expressions.

But when a gun is found in the school cafeteria, interrupting a female classmate's birthday celebration, Colin is the only one for the investigation. It's up to him to prove that Wayne Connelly, the school bully and Colin's frequent tormenter, didn't bring the gun to school. After all, Wayne didn't have frosting on his hands, and there was white chocolate frosting found on the grip of the smoking gun...

Colin Fischer is a modern-day Sherlock Holmes, and his story--as told by the screenwriters of *X-Men: First Class* and *Thor*--is perfect for readers who have graduated from Encyclopedia Brown and who are ready to consider the greatest mystery of all: what other people are thinking and feeling.

### From reader reviews:

#### **Barbara Richardson:**

Book is to be different for every single grade. Book for children until finally adult are different content. As it is known to us that book is very important for us. The book Colin Fischer had been making you to know about other understanding and of course you can take more information. It is quite advantages for you. The e-book Colin Fischer is not only giving you considerably more new information but also being your friend when you truly feel bored. You can spend your personal spend time to read your e-book. Try to make relationship with the book Colin Fischer. You never sense lose out for everything in case you read some books.

#### **Sylvia Langley:**

As people who live in the particular modest era should be revise about what going on or facts even knowledge to make these keep up with the era that is always change and advance. Some of you maybe can update themselves by looking at books. It is a good choice for yourself but the problems coming to an individual is you don't know what type you should start with. This Colin Fischer is our recommendation to cause you to keep up with the world. Why, since this book serves what you want and want in this era.

#### **Jean Mora:**

Reading a reserve tends to be new life style within this era globalization. With reading you can get a lot of information that may give you benefit in your life. Along with book everyone in this world can certainly share their idea. Ebooks can also inspire a lot of people. Many author can inspire their own reader with their story or their experience. Not only the storyplot that share in the textbooks. But also they write about the knowledge about something that you need example. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors on this planet always try to improve their ability in writing, they also doing some exploration before they write on their book. One of them is this Colin Fischer.

#### **Arthur Freeman:**

Is it anyone who having spare time after that spend it whole day by means of watching television programs or just lying down on the bed? Do you need something new? This Colin Fischer can be the solution, oh how comes? The new book you know. You are and so out of date, spending your extra time by reading in this brand new era is common not a nerd activity. So what these ebooks have than the others?
