Everything kids need to create their very own birthday greeting cards is contained in this little activity book. Two blank cards, one decorated with a border of brightly colored balloons, the other with colorful streamers, are accompanied by 22 different full-color stickers.

The peel-and-apply illustrations depict a variety of favorite childhood objects and birthday treats: a teddy bear, puppy, jack-in-the-box, toy locomotive, a wagon filled with presents, a birthday cake, and more. Children simply peel and apply the stickers to the card of their choice, add printed "Happy Birthday" messages, and send them off to friends and relatives.
