Her unexpected rescuer

When newly qualified paramedic Mimi Sawyer is separated from her colleague in a flash flood, the last person she wants to come to her rescue is Dr. Rafe Chapman—the man who broke her heart when he walked out five years ago...

Talking about his feelings has never been easy for Rafe. But their forced reunion means confronting the truth of the past. It's suddenly clear that Mimi has always been the one for him, yet to win her back he'll need to convince Mimi that *he's* the one for *her!*
