He may be a Maniac, but he's no fool. Akeem "Maniac" Freeman is the CEO of Freeman Financial, a Fortune 500 bank with over fifty branches nationwide. He's the epitome of an alpha male who protects his family at all costs. He's never had a problem with killing for his fam, and when his baby sister reveals a shocking secret, his killer instincts come back into play. Little does he know, it's the people that's closest to him that he needs to watch out for. Akeem isn't interested in sharing his wealth with just any woman, until he meets Adrina. Adrina is a med school student studying psychiatry. After a rocky relationship with her ex-boyfriend-turned-stalker, Adrina is giving her heart time to heal. Her only focus is school and getting her money. That is until Akeem comes and knocks her off her feet. He's unlike any man she's ever met before so she lets him inside her heart. Will Maniac be the one to show her just what real love is? Or will what he did in the dark tear them apart? The chemistry between this couple is off the charts, but a blast from the past shows up and brings turmoil with them. Maniac will be put in a situation where he either has to save his sister or his girlfriend. What will he do?
