All I Want For Christmas: A feel good Christmas romance to warm your heart Jenny Hale

All I Want for Christmas is a **big, cozy Christmas story** about the importance of family, the strength of childhood friendships, and **learning to trust your heart**.

Christmas comes once a year . . . But true love comes once in a lifetime.

Snowflakes are falling, there's carol singing on every corner, and **Leah Evans** is preparing for a family Christmas at her grandmother's majestic plantation house in Virginia. It won't be the same now that her beloved Nan is gone, but when Leah discovers she has inherited the mansion, she knows she can give her daughter Sadie the childhood of her dreams.

But there's a catch. Leah must split the house with a man called **David Forester**. Leah hasn't heard that name in a long time. Not since they were kids, when Davey was always there to catch her.

Now David is all grown up. He's gorgeous, successful, and certain of one thing: Leah should sell him her half of the house.

They can't agree, but as they share memories over wine by the log fire, Leah notices a fluttering in her stomach. And by the look in his eyes, he's starting to feel it too.

Will it be Leah or David who must give up their dreams? Or, with a little bit of Christmas magic, will they finally understand Nan's advice to them both about living life without regrets . . . and take a chance on true love?

Fans of Carole Matthews, Susan Wiggs and Susan Mallery – and anyone who likes the glow of Christmas lights and the rustle of wrapping paper – will fall in love with this feel-good Christmas treat.
