Black Ink is the long overdue biography of Panama Al Brown, a boxer so unpopular, fans stormed the ring and nearly killed him in an attack that might be considered a hate crime today. Outside the ring, the leaders of the "Manly Art" were so determined not to have a gay boxing champion that they stripped him of his recognition, without an explanation. But Brown was too good, and eventually fought his way to become recognized as the first Latino world champion. In this riveting book, Jose Corpas makes sure Al Brown is never forgotten.
