Deception. Betrayal. Murder. Just an ordinary Game Night. James Rutledge is no criminal. He's fat, he's cowardly, and he can't even hold a gun, let alone fire it. His idea of the perfect crime is scoring free snacks and booze at Game Night. When the others started talking about robbing a bank, he thought they were just role-playing. But when his friend's business starts going under, they're ready to take the game more seriously. The players? Six regulars from Game Night; an unlikely team of nerds and dreamers. The goal? A safety deposit box filled with three hundred thousand dollars in cash. The rules? Divide and conquer. It was almost the perfect plan. But there's something you should know about gamers. Everybody wants to win it all. Always. If James is going to make it through the weekend alive, he'll have to stop playing in co-op mode and play to win. This is no heist. This is a game. And the stakes have never been higher.
