Coney Amram Ducovny

Coney Island, 1939: On the eve of World War II, fifteen-year-old Harry Carzker spends his after-school hours on his bike, picking up betting slips from Coney Island carnival freaks for the local bookie and racing his imaginary sworn enemy, German Captain Ziegenbaum, whose ship menaces the coastline. His parents are in their own world: his father writes a serial novel for the local Yiddish newspaper by day and hangs out with other intellectuals at the Cafe Royal by night; his beautiful mother grows increasingly bitter, yearning for a glamorous life that is certain to be denied to the wife of a writer.

As the lights of the Cyclone and Luna Park glow in the Coney Island night. Harry finds a surrogate family in the freaks and low-lives. A premature victim of Welischmerz, "lovingly applied by loved ones, ignorant of its toxicity on the young", Harry ponders life, art, and philosophy with Aba, a Yiddish poet who boards with his family, yet he is unable to shake the dark foreboding of a disaster that finally materializes, changing his life utterly.

Coney, soaked through with atmosphere and guided by an uncommon comic touch, captures the essence of a young man's coming of age in an extraordinary place and time. Depicting Coney Island in all its garish and gritty human spectacle. Amram Ducovny's dark and brilliant first novel has the stark intensity of a Weegee photograph, the heart of E. L. Doctorow's *Ragtime*, and the soul of an Isaac Bashevis Singer novel.

From reader reviews:

Michelle Sanders:

What do you in relation to book? It is not important to you? Or just adding material when you want something to explain what your own problem? How about your time? Or are you busy particular person? If you don't have spare time to try and do others business, it is give you a sense of feeling bored faster. And you have extra time? What did you do? Every individual has many questions above. They need to answer that question mainly because just their can do in which. It said that about e-book. Book is familiar on every person. Yes, it is right. Because start from on kindergarten until university need this kind of Coney to read.

Jeff Wheeler:

As people who live in typically the modest era should be revise about what going on or facts even knowledge to make these people keep up with the era which can be always change and move forward. Some of you maybe can update themselves by reading through books. It is a good choice for yourself but the problems coming to you is you don't know what one you should start with. This Coney is our recommendation to make you keep up with the world. Why, because book serves what you want and need in this era.

Jared Smith:

Information is provisions for those to get better life, information nowadays can get by anyone in everywhere. The information can be a understanding or any news even a huge concern. What people must be consider whenever those information which is inside the former life are challenging be find than now could be taking seriously which one works to believe or which one typically the resource are convinced. If you find the unstable resource then you buy it as your main information you will see huge disadvantage for you. All those possibilities will not happen inside you if you take Coney as your daily resource information.

Donald Diaz:

In this period globalization it is important to someone to acquire information. The information will make a professional understand the condition of the world. The fitness of the world makes the information simpler to share. You can find a lot of personal references to get information example: internet, newspapers, book, and soon. You can see that now, a lot of publisher in which print many kinds of book. The actual book that recommended to you personally is Coney this e-book consist a lot of the information of the condition of this world now. This specific book was represented so why is the world has grown up. The words styles that writer value to explain it is easy to understand. The actual writer made some study when he makes this book. Honestly, that is why this book ideal all of you.
