## Contemporary Russian Poetry: An Anthology (Russian Edition)

Prominent Moscow poet Evgeny Bunimovich selected representative work from forty-four living Russian poets born after 1945 to be translated and published in this bilingual edition. The collection ranges from the mordant post-Soviet irony of Igor Irteniev to the fresh voices of poets like Marianna Geide and Anna Russ—young women just beginning to make themselves heard. The book includes the work of Booker Prize winner Sergey Gandlevsky and several winners of the Andrey Bely Prize and Brodsky Fellowships. Most of these poems, and many of the poets, have previously been unpublished in the West.
