When Octopus Mum takes her eight children on a special trip under the sea, the little octopuses have lots of fun. They blow bubbles with parrot fish, dance with shrimp, play hide-and-seek with angelfish, and meet many other sea creatures. A scary eel with pointy teeth gives chase, but the octopuses swim away as quickly as they can, and at last arrive safely at a surprise destination. Playful verse and bright paintings bursting with sea life capture the excitement and wonder of a first outing with Mother, making this a perfect choice for the very young.
