Just Stay Mika Fox

College really isn't all it's cracked up to be. At least not for Seb, who spends most of his time studying and working hard, generally annoyed with people and all the dumb stuff they do. It's what he does, and he's pretty content with that.

That is, until Evan stumbles into his life, one night. This enigmatic, charismatic guy that every girl on campus seems to be pining over, and whom Seb at first finds just as appealing as he does annoying.

And just like that, everything changes.
