Yarn Spinners: A Story In Letters - Cusack, Franklin, James Marilla North

Love, life, writing and friendship are the intimate subjects of letters between three intelligent, witty women who shared a passionate commitment to Australian literature. These carefully selected letters tell a story that reads like a novel. Their correspondence - from the late 1920s to the mid-1950s - reveals their public battles as well as their private ones. Their personal conflicts are a microcosm of Australian society's struggles over the period.
