At His Mercy (Forbidden Lovers) Shelly Bell

Shelly Bell delivers the first book in her Forbidden Lovers erotic suspense romance

For one night, Tristan taught the woman he knew only as Angel to surrender to him. Now his Angel has a name, and he's not only her professor but her boss. Kisses are forbidden. Touches are forbidden. Nights with her are most definitely forbidden. Of course, he's never been one to play by the rules...

Isabella Lawson had no intention of meeting someone like Tristan-and she certainly hadn't intended on seeing him again. Now every day she shares a cramped office with him...and it's becoming harder and harder to resist him. But as much as she wants to focus on her new feelings for Tristan, her dark past is coming for her and this time...she might not survive.
