With thirty-four years in the media industry, I've seen, heard, and learned enough Dirty Little Secrets to write about. As you know, information has value, which is the reason many people are disinclined to share it. Instead, they selfishly protect their experiences and paths to success as though they are patented, Dirty Little Secrets. In essence, they have no desire to offer you the advantage to achieve what they may or may not have. Along your journey, you will meet people who prefer that you encounter the same struggles they've endured. However, it is my intent to share the lessons that have helped me excel in business and in my personal life. Some are rarely spoken of, yet relatable and critical aspects that will assist in helping you understand and find the correct path to your destiny, just as I have done. What I've learned is that everyone is looking for an answer to something. Dirty Little Secrets is my way of sharing one valuable lesson after another that can help you succeed.
