“ENSNARED...IS A RICH, ROMANTIC TALE...WELL WORTH THE READ.”

The two Falconer boys, Raphael and Michael, were named for the archangels. Lily Herald knows that they are anything but. At twenty-two, she married Raphael, the first Falconer boy. By twenty-five, she was divorced, having traded in her wedding ring for two near-fatal bullet wounds—the best damned trade of her life. No one, especially not Michael Falconer, knows why she's returned home, to the place of so many shared and painful memories, but he's determined to find out before she destroys what's left of his family.

“FLAWED...HAS PLENTY OF ANGST, LUST AND HEARTBREAK TO KEEP YOU HOOKED.”

Aspiring actress Ariel Falconer is out of dreams. Disillusioned and burned-out, she heads on a lavish, all-expense-paid vacation, determined to enjoy herself one last time before facing up to the fact that life has dealt her a big flat zero. Professional beach volleyball player Jake Hunter is full of dreams. He holds a winning hand, but only if he can find a wealthy sponsor to finance his modest lifestyle while he trains for Olympic gold. Their mutual attraction is immediate and scorching, but neither is ready for the emotional complications of false impressions and clashing expectations. Can Ariel and Jake escape unscathed, or will their conflict shatter their dreams and the promise of love?

“GRACED...IS SO LOVELY AND I TRULY DIDN'T PUT IT DOWN TILL IT WAS FINISHED.”

Noelle Langford's ambitions have always been bigger than the little town of Havre de Grace, but when her father's heart attack summons her home, she finds the town little changed, except that Connor Bradley, the high school nerd, is now the town's doctor, a Grade-A hunk, and a widower with two young children. Connor doesn't have time for distractions, not while juggling single parenthood and his clinic on five hours of sleep a night. He most certainly doesn't have time for Noelle, the high school flirt, who is prettier and more irresistible than he remembers. When her father's heart attack derails Connor's plans for his first Christmas without his wife, Noelle wants to save the day for his adorable children, but can she also find her way into Connor's guarded heart?

“HAUNTED...IS SWEET BUT NOT CHEESY, SEXY BUT NOT

DIRTY, AND SHORT BUT COMPLETELY FULL.”

Holly Langford has given up on love, but the Christmas season unexpectedly ignites her bleak and solitary life with three men who represent her past, her present, and her future. Peter Warren, her high school and college sweetheart, who shattered her heart but rules her dreams... James Kerrigan, the principal of Havre de Grace Elementary School and her boss... Brandon Smith, the dashing New York City lawyer, who promises an escape from the confines of her small town life... Which man offers the gift of true love and happily ever after?
