Are you ready to take racing your car to the next level? Have you dreamed of sponsorship deals and aren't sure how to get started? Then learn from a seasoned racer that has been there and accomplished a lot on a small budget while working with sponsors, on various levels, across the country. From 2002 through 2007, Jeff Fazio raced his highly-modified 600+ h.p. Toyota MR2 known as "Hyde" in all sorts of racing venues. Hyde participated in drag racing, SCCA Solo II, SCCA Solo I Hillclimb, track days, and other races. In 2004, Fazio knew it was time to take his racing to the next level. Formally setting up Jekyl Hyde Racing as a business, he sought out sponsorship on all levels (local, regional, national, etc.). With the help of sponsors, Hyde roared from 300 rwhp to well over 600 rwhp and started dominating races. Sponsorship: Amateur Motorsports details Fazio's story and explains in detail the steps he took to gain sponsors. Use his story, borrow his ideas to advance your own racing and move up to the next level. What are you waiting for? See more at: [www.JekylHydeRacing.com](http://www.JekylHydeRacing.com)
